

Good News! Beginning Monday October 30th our school is participating in Staples Recycle for Education, a great way to raise money for our school and help the environment too. Staples will pay our school \$3 for each eligible cartridge.

How you can help:

- Just bring your empty inkjet or toner cartridges to school.
- Please bring laser cartridges in a box - just use the one from your new cartridge! It's that easy.

Below you will find a list of eligible cartridges.

Recycling ink cartridges is good for our school and the environment.

Here's why:

- For every ink or laser toner cartridge that is recycled, two quarts of oil are kept out of landfills.
- The number of ink and laser toner cartridges thrown away in one year is enough to circle the earth.
- It takes 1,000 years for an ink or laser toner cartridge to decompose in a landfill.
- Recycling ink or laser toner cartridges helps to decrease the amount of waste that goes into landfills and helps reduce the amount of toxic chemicals absorbed into the Earth.
-

For more information on this program please visit www.staplesrecycleford.com

We are also continuing to recycle glass, plastic, and aluminum cans, as well as, paper. If you would like to donate your recyclables for our school to recycle please contact Juan Solano at Solanoju@guajome.net!
