

Guajome Park Academy Mission Statement

Our mission is to inspire and mentor all learners to become responsible, critical thinking, global leaders through excellence and innovation in education.

Beliefs:

We believe in producing future global leaders who embody our mission.

We believe in a community working together will achieve student success.

We believe that a quality staff that engages in continuing professional development, collaboration and peer mentoring will result in academically competitive students.

We believe student potential is unlimited.

We believe in using research based best practices to drive instruction.

We believe in providing cutting edge experience.

We believe all students thrive on success.

We believe all students have strengths.

We believe students learn in different ways for different reasons.

We believe students are simpler than you think and more complicated than you can imagine.

We believe all students can be active participants in their education.

We believe authentic tasks lead to meaning, connection, and application.

We believe charter schools equal innovation.

We believe the future is made through education.

We believe all students should have the opportunity to be creative, unique risk takers.

We believe you don't have to spend a lot to learn a lot.

We believe in looking for creative options to fund an innovative education.

We believe that we must invest wisely to maximize student achievement.
