I understand that leaving the campus for lunch is a privilege. I also understand that I will lose this privilege if I violate any school rules; violate any California State law (including DMV); earn an F on any progress or semester grade report; drop below an overall grade of 2.0; and/or have unsatisfactory attendance. The period of time the off campus lunch pass will be suspended will be determined by student's House Leader.

Grades and attendance will be checked every progress report/grade reporting period. Please return this from to the Main office for processing and approval. If approved, an off-campus sticker pass will be issued. Please note, students cannot leave campus without the sticker pass in their possession at all times.

I have read, understood, and agree to the conditions and rules required to receive an off-campus pass.
